

Mission

Statement

What Is My

Mission?

My mission is to guide you, step by step, to a healthy, balanced lifestyle.

Why Do I Do What I Do?

Helping you is the most rewarding part of my job. I enjoy guiding my patients toward understanding how to be youthful and pain free throughout their lives.

What Are The Benefits & Features Of My Services?

I'm a unique type of wellness coach who can help you find answers to your health concerns and improve your quality of life.

What Makes My Practice Unique?

At my practice, I work with the entire body. Each part of the body must be working in harmony to keep it youthful, healthy, and, overall, functioning properly. To accomplish this mission, I utilize:

- Bio Meridian testing
- Chiropractic techniques that allow me to analyze the body's range of motion
- Food enzymes

What Do My Patients Think About My Services?

95% of my patients report being pain free and feeling healthier and happier after utilizing my services.

At Advanced Chiropractic & Nutrition Health Solutions, we take great pride in providing the finest chiropractic care to each and every patient. We have included information below about the different chiropractic services offered in our Irwin chiropractic office, but please call us at (412) 601-1400 if you have any questions.
